

Personality Tests based on MBTI

<https://www.mbtionline.com/>

This is the official site for today's MBTI. Take a look around to see what they are saying about it but there's a charge for getting the test results. Look below for free tests.

<https://www.16personalities.com/free-personality-test>

This is a free test and you can have the basic results emailed to you with a link to call back up what it means any time you wish. If you want to have the summary on hand, print it to PDF right after you take the test. Interesting to note that they place type on a percentage scale.
